The undersigned representative is authorized to act on behalf of the assignee, and it is certified that to the best of the undersigned's knowledge and belief, title is in the assignee.

Your petitioner, PENTAX Corporation, hereby disclaims, except as provided below, the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of any patent granted on co-pending U.S. Application No. 10/848,771, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to co-pending U.S. Application No. 10/848,771, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above identified application prior to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 155 and 173 as presently shortened by any terminal disclaimer of any patent granted on co-pending U.S. Application No. 10/848,771 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the failure of common ownership stated above.
